

Anti-Bribery and Corruption Statement

QED's position on bribery is 'zero tolerance'. We are committed to obeying the law and do not condone bribery or corruption in any form.

At QED we:

- Conduct all business in an honest and ethical manner;
- Are committed to acting professionally, fairly and with integrity in all business dealings and relationships;
- Do not permit the making of any inappropriate promises, gifts or excessive hospitality to Public Officials in order to achieve unfair advantage or benefit; and
- Resist any efforts made by others (including suppliers, customers or clients) to unfairly affect any official decision-making process in order to achieve unfair advantage or benefit.

We encourage charitable donations and sponsorships provided they are legal under relevant laws, ethical and consistent with common practices.

We do not encourage contributions to political parties.

Our staff receive training in anti-bribery and corruption, and we monitor transactions for suspect activity. We expect our business partners and agents to implement and enforce effective systems to counter bribery and corruption.

We will always report and document any breach of the law that is brought to our attention through the reporting mechanism provided by Australian authorities.
